Loan Program Bulletin

TO: Postsecondary Institutions

DATE September 30, 2010

TOPIC: National Student Clearinghouse changes in enrollment status

To assure that your Common Manual remains current, please record this document on your LPM/LPB index, and retain it in Appendix E of your manual.

Effective December 1, 2010, if your institution is a member of the National Student Clearinghouse ("Clearinghouse") it is required to make changes or updates in enrollment status solely by Clearinghouse electronic processes. If your institution is not a Clearinghouse member, it is required to make all changes or updates in enrollment status solely by National Student Loan Data System (NSLDS) electronic processes.
