| TOPICS:         | GO Grant Allocations for 2013-2014   |

Attached is the GO Grant Allocation schedule for the 2013-2014 academic year. Institutions were given an annual allocation amount based on the same methodology used for 2011-2012 and 2012-2013.

The Board of Regents approved a change in the GO Grant Framework that will result in a new methodology in awarding students beginning with the 2013-2014 award year. The Framework was outlined in Student Financial Aid Bulletin S2013-01 dated January 29, 2013 and can be found on LOSFA's website at [www.osfa.la.gov/MainSitePDFs/S2013-01.pdf](http://www.osfa.la.gov/MainSitePDFs/S2013-01.pdf). Please review the changes to the GO Grant Framework carefully to ensure compliance.

Board of Regents also approves the following in regard to GO Grant for the 2013-2014 academic year:

1. The annual allocation will be used for fall, winter, and spring semesters/terms, with no plans to fund summer awards.
2. Due to legislative reporting requirements, it is necessary to continue the fall billing deadline of November 1, 2013 (fall billing corrections deadline, November 16) and a winter billing deadline of January 17, 2014 (winter billing corrections deadline, February 1). The fall and winter deadlines will also allow LOSFA and Board of Regents to better estimate funding availability for subsequent semesters/terms.
3. Late billings for fall, winter and spring semesters/terms will not be allowed. In the event of a reallocation of unused funds, the school(s) receiving the reallocated funding will be provided with a deadline to expend the reallocated dollars.
4. After the spring billing deadline, March 24, 2014, (spring billing corrections deadline, April 11), unused funds will be reallocated. Reallocations will be made to institutions to award to students enrolled in the fall and continued to spring or enrolled in the spring who were eligible for but did not receive a GO Grant because the institution used its full annual allocation.
