#### DECLARATION OF EMERGENCY

# Student Financial Assistance Commission Office of Student Financial Assistance Scholarship/Grant Programs

TOPS Core Curriculum Equivalents: Human Anatomy and Physiology and Pre-Calculus (LAC 28:IV.703)

The Louisiana Student Financial Assistance Commission (LASFAC) is exercising the emergency provisions of the Administrative Procedure Act [R.S. 49:950 et seq)] to amend and re-promulgate the rules of the Scholarship/Grant programs (LSA-R.S. 17:3021-3025, LSA-R.S. 3041.10-3041.15, LSA-R.S. 17:3042.1.1-3042.8, LSA-R.S. 17:5001 et seq., and LSA-R.S. 56:797.D(2)).

This rulemaking adds Human Anatomy and Physiology as an equivalent to Biology in the TOPS core curriculum, adds Human Anatomy and Physiology as a dual enrollment course that may be graded on a 5.0 scale for graduates of 2018 and later, and adds Pre-Calculus as a gifted course that may be graded on a 5.0 scale for graduates of 2018 and later.

The emergency rules are necessary to implement changes to the Scholarship/Grant programs to allow the Louisiana Office of Student Financial Assistance and state educational institutions to effectively administer these programs. A delay in promulgating rules would have an adverse impact on the financial welfare of the eligible students and the financial condition of their families. LASFAC has determined that these emergency rules are necessary in order to prevent imminent financial peril to the welfare of the affected students.

This declaration of emergency is effective December 7, 2016, and shall remain in effect for the maximum period allowed under the Administrative Procedure Act. (SG17176E)
