Bulletin S2008-3, Changes to Rockefeller State Wildlife Scholarship, dated June 9, 2008, addressed changes to the Rockefeller State Wildlife Scholarship program, specifically focusing on the automation of the billing process.

The Funding Source Codes noted in Bulletin S2008-3 created issues with the TOPS billing process and the TOPS Master Roster once the automated Rockefeller billing process was initiated. The Funding Source Codes provided in the original bulletin have been changed and are no longer valid.

The current Funding Source Codes are as follows:

0=TOPS Only
1=TOPS and START
2=TOPS and ROCK
3=TOPS, START, and ROCK
4=ROCK Only

For those students eligible for both TOPS and the Rockefeller State Wildlife Scholarship, there will be two records on the Master Roster. Both records will indicate Funding Source 2 or 3. The record resulting from TOPS Eligibility will include TOPS Information; the record indicating ROCK eligibility will indicate (Only Rockefeller) OR as the award selected. Inclusion of two records may require modification of institutional Master Roster processing.

An updated TOPS Master Roster File layout is attached for your information.

If you have questions regarding the Rockefeller State Wildlife Scholarship billing process, you may contact Miracle Davis at 225-922-0164 or mdavis@losfa.state.la.us.
