TOPICS:	Clarification of Go Grant Billing for Accelerated Programs

A review of the Accelerated Program (AP) schedule reveals that while the beginning and ending dates of each session may vary by school, all run for a full calendar year. Go Grant AP billing is being revised to allow schools (other than Louisiana Tech University) to bill as regular “semesters” (i.e. 1S2009) rather than by “term” (i.e. 1T2009); however, you must continue to indicate the appropriate AP course code. You may request up to the regular Go Grant payment amount according to the number of hours enrolled.

You should bill Go Grant for eligible students in Accelerated Programs following the same schedule as the student’s Pell award disbursement and for the semester in which the enrollment was reported to Board of Regents.

Examples of billing for various enrollment periods:
